Special Notes:  
Dr. Bill Moffett will be here on the 8th to talk with the children about visiting the dentist and dental health.

A sign-up will be posted for our Valentine's Day party. We will be exchanging Valentines in class that day. Please send in Valentines for each classmate, and then plan to spend a few minutes that morning helping your child to deliver their special notes.

TriCounty Association of the Blind will be here on the 20th to perform free vision screenings. A permission slip will need to be completed (which will be sent home prior to the 20th). If you want your child screened, please complete and return the form. Otherwise, your child will not participate in the screening.

On Western Day, your child can come to school dressed in his/her favorite Western attire (no guns, please).
