There are a total of ten (10) payments made from *August 10th through May 10th*. For your benefit, we ask that you do *NOT* pay for the entire year in advance as Hilltop cannot guarantee a refund due to school closure or class interruption.

If your family experiences unforeseen financial burdens, and you need to work out an alternative to the monthly tuition schedule, contact the director immediately. Limited financial aid may be available. Non-payment of a child's tuition by the 10th of each month may result in the withdrawal of the child from Hilltop.

A ten percent (10%) discount will be granted on the total bill if two or more members of the same family attend.

Hilltop Christian Nursery School is a nonprofit school. In order to maintain a financially sound base, we must follow the guidelines below:

1. Tuition will not be refunded for any temporary withdrawal or days missed due to illness, family vacations, or other reasons.
2. A parent or guardian must notify the school director of your child's withdrawal at least 14 days in advance.

A tuition payment slip will be sent home each month as a reminder. Please place your payment and the payment slip in the nursery school tuition box at the bottom of the stairs coming into the school, or mail it to the above address. Credit cards are accepted for payment and can be set up to charge monthly. If you are paying by credit card, please complete the credit card payment form and return it to the Hilltop office. Please contact the nursery school office with any questions.
